4. Rule 99 (b) of the rules of procedure of the General Assembly provides that:

> "Each Main Committee, taking into account the closing date for the session fixed by the General Assembly on the recommendation of the General Committee, shall adopt its own priorities and meet as may be necessary to complete the consideration of the items referred to it. It shall at the beginning of the session adopt a programme of work indicating, if possible, a target date for the conclusion of its work, the approximate dates of consideration of items and the number of meetings to be allocated to each item."

5. Bearing in mind the number of meetings available to the Sixth Committee, indicated in paragraph 12 below, it is proposed that the Committee set a target date of 8 November 2002 for the conclusion of its work.

6. The Sixth Committee may wish to consider, for the purpose of adopting its programme of work, the following timetable, which indicates approximate dates of consideration of agenda items referred to it, drawn up on the basis of the relevant General Assembly resolutions as well as previous programmes of work adopted by the Committee:

	Approximate dates of consideration

Establishment of working groups and holding of consultations

7. Concerning agenda item 160, entitled "Measures to eliminate international terrorism", the General Assembly, in its resolution 56/88 of 12 December 2001, decided that the work of the Ad Hoc Committee established by General Assembly resolution 51/210 of 17 December 1996 should continue, if necessary, during the fifty-seventh session of the General Assembly, within the framework of a working group of the Sixth Committee. In the light of the recommendation of the Ad Hoc Committee, as contained in paragraph 20 of its report,[1] and following further consultations with the bureau of the Ad Hoc Committee, 15 and 16 October have been reserved for this purpose.

8. Concerning agenda item 161, entitled "Scope of legal protection under the Convention on the Safety of United Nations and Associated Personnel", the General Assembly, in its resolution 56/89 of 12 December 2001, recommended that, following the submission of the report of the Ad Hoc Committee on the Scope of Legal Protection under the Convention on the Safety of United Nations and Associated Personnel, the Sixth Committee consider whether to continue that work during the fifty-seventh session of the General Assembly from 7 to 11 October 2002 within the framework of a working group of the Sixth Committee.

9. Concerning agenda item 162, entitled "International convention against the reproductive cloning of human beings", the General Assembly, by its resolution 56/93 of 12 December 2001, recommended that the work of the Ad Hoc Committee on an International Convention against the Reproductive Cloning of Human Beings continue during the fifty-seventh session of the General Assembly from 23 to 27 September 2002, within the framework of a working group of the Sixth Committee.

10. In view of the limited conference services available to the Sixth Committee, as indicated in paragraph 12 below, any meetings for working groups or for informal consultations would have to be accommodated in place of, rather than in addition to, meetings allocated to the Committee.

Deadline for submission of draft resolutions with financial implications

11. According to rule 153 of the rules of procedure of the General Assembly, "no resolution involving expenditure shall be recommended by a committee for approval by the General Assembly unless it is accompanied by an estimate of expenditures prepared by the Secretary-General". It is therefore imperative that the Sixth Committee allow sufficient time for the preparation of the estimates of expenditure by the Secretariat and for its consideration by the Advisory Committee on Administrative and Budgetary Questions and by the Fifth Committee. Under the circumstances, if 7 November is accepted as the concluding date for the work of the Sixth Committee (see para. 5 above), 25 October 2002 would have to be considered as the mandatory deadline for submission to the Fifth Committee of draft resolutions with financial implications.

Conference resources available

12. The available conference facilities will, in principle, enable the Committee to hold no more than 9/10 plenary meetings per week and the working groups referred to in paragraphs 7, 8 and 9 above to hold, respectively, 2, 6 and 7 meetings for the week. Normally, morning meetings will be held from 10 a.m. to 1 p.m. and afternoon meetings from 3 p.m. to 6 p.m.

13. In order to avoid difficulties in the organization of services for the meetings of regional groups of the Committee, it is suggested that all requests for such meetings be channelled to the Planning and Meetings Servicing Section through the Secretary of the Committee.
